Achievement

Ondemand Carwash[Video profile]

Completed case study on OnDemand Carwash where Getting to the service store and queue is no one's preference nowadays. Thus, mobile car washing services are a unique way to maintain the appearance and cleanliness of your car. With the newest car washing services, you can save time, energy, and money. In today's world, we have an app for almost every possible thing or service one can imagine, education, shopping, gaming, socializing, buying, and selling, no field is left behind that doesn't have an application for its services.

DEGREED

Successfully completed the degreed training in Git, HTML, CSS, SQL, C#, .NET Core, Angular.
